Falcon Structural Repairs Ltd

Grove Hill
Stansted.

20/03/2019

Dear Sirs/Madam

Re: FAL 5200 MURAL COTTAGE, 4 GROVE HILL, STANSTED, CM24 8LT
Road Closure on the 1st April.

With affect from the 1st April there will be a road closure to Grove Hill, this is to enable essential building works to be carried out to number 4 Grove Hill. The building has been struck by a heavy goods vehicle, which has damaged the front of the building at high level. We will be needing to erect a scaffolding to the front, side and rear of the property to access the roof and top gable end of the property.

The closure will run for a period of 33 days from the 1st April, an alternative route will be in place to manage the flow of traffic in the area.

The closure is in place to provide safety to the public and the workforce during this time. If you do have any questions or queries please either contact Essex Highways Agency or the email address below and we will endeavour to assist in any way we can.

Yours faithfully

For Falcon Structural Repairs Ltd

Ian Lawman
Contracts Supervisor
