Dear Resident/Business Owner

## **Temporary Clearway/No Parking restriction on B1051 to support closure of Abbotsford Bridge, Hall Road, Elsenham**

Following a recent request from Elsenham Parish Council, a temporary Clearway/No Parking restriction will be introduced on the B1051 High Street/Henham Road at the junction of Hall Road during the closure of Abbotsford Bridge.

We anticipate this temporary restriction will support traffic flow in the area, reducing the risk of obstructions that could be caused by vehicles attempting to turn around at the junction of Hall Road when Abbotsford Bridge is closed for reconstruction.

**The temporary Clearway/No Parking restriction will be effective 24 hours a day, 7 days a week for the duration of the bridge closure which commences Monday 13 May 2019.**

Advance warning notices will clearly identify the sections of road and periods when parking enforcement is effective. No parking cones and signage will be in place so please refrain from parking vehicles in these areas when the Clearway/No Parking is in operation.

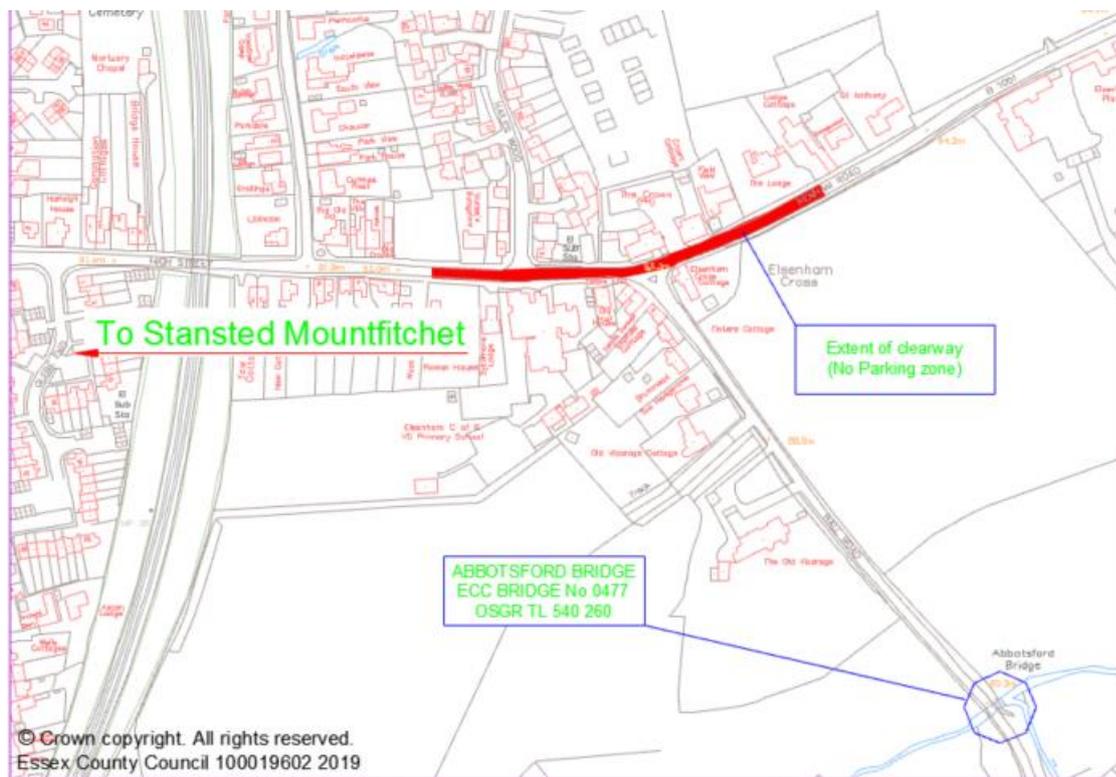

The Clearway/No Parking areas are enforceable by issuing a Penalty Charge Notice or parking tickets. In addition, if a vehicle is causing an obstruction and the owner cannot be easily identified then the owner is at risk of the vehicle being moved, by one of our specialised contractors, to a nearby safe parking place. If this were to happen the owner would be required to contact the Essex County Council contact centre on 0345 603 7631 or Essex Police on 101 who will have details about the whereabouts of the vehicle.

We regret any inconvenience caused by this restriction, however it is essential we enforce a Clearway to ensure the road remains clear without obstructions.
