Dear Resident,

M11 Works – Elsenham

Highways England is undertaking surveys on the Alsa Wood / Elsenham footbridge. These surveys are required to maintain the safe operation of the strategic road network along the M11.

Pedestrian Restrictions

The footbridge over the M11 to the west of Elsenham will be closed between **9am** and **5pm** on **Friday 29 May**.

However, the footbridge will still be available to cross under the escort of on-site operatives, but you may experience a short delay until the site is made safe before a crossing can be made.

Please note that these works are subject to weather conditions and dates may change, notices onsite will provide the most up to date information.

Safety

Your safety is important to us, as is the safety of our operatives working on site. We would be grateful if you could observe signs and restrictions in place as any unauthorised access to the site creates a serious risk to safety of everyone involved.

Our roads remain open and we will continue to maintain the network, ensuring that life-saving medicine, equipment, supplies and healthcare staff can travel to where they are needed most.

All our sites have strict safeguarding measures to prevent the spread of COVID19 and none of our sites are open to the public.

How you can contact us

If you have any queries about our work, or want to know more, please contact us on 0300 123 5000 or via email at info@highwaysengland.co.uk

Yours sincerely

A handwritten signature in black ink, appearing to read 'SJ Mason'.
