

VE DAY – FRIDAY 8TH MAY 2020 – PLEASE LIKE AND SHARE AS FAR AND WIDE AS POSSIBLE AND JOIN THE FACEBOOK PAGE MENTIONED BELOW IN RED!!

Due to the current situation the Parish Council cannot hold our planned VE Day 75th Anniversary Celebrations, but this doesn't mean that the community cannot celebrate in style, so we're teaming up with local resident James DeeJay Goochy Goodge to bring some entertainment to your homes!

You can plan your own garden parties... dig out the barbeque, plan a tea party, decorate your garden or house in red, white and blue!!!!

At 2.30pm – follow local James on the Facebook group **VE Day Friday 8th may 2020** for a live lockdown party!

At 3pm - switch on your TV or radio and join the nation and your neighbours for a toast on your doorstep and clap to remember those who gave their lives for us.

At 9pm – HM The Queen's Address to the Nation – TV and radio.

We would love to see any pictures of your garden parties so please email them to us at parishcouncil@stansted.net. We will try to put a selection of these on our website and in The Link for others to enjoy.

We may be in lockdown, but we can still mark this special day by celebrating and remembering!!
